*NOTES: All activities must be done with a **good attitude** or no points are rewarded. Partial points are not given. If you have not completed the task as instructed, you receive zero points for that task. **There is no arguing with Mom or Dad, arguing will result in an automatic and immediate loss of 10 points.** Deciding to not complete your tasks in general, to 'give-up' or otherwise have a bad attitude, will result in being kicked-out of the adventure and forfeiting of points/badges/visas/etc that you have thus far gained in the adventure. Re-entry is only possible under the terms stated on your acceptance certificate. **For showing an extra good attitude, initiative, or similar, parents may, at their sole discretion, award additional bonus points above and beyond the 100 daily available points.***
